Sommelier Pick!

2006 Domaine Berthet-Bondet, Jura 48
This Chardonnay based wine comes from the foothills of the Alps. The Jura region is heavily influenced by Swiss winemaking styles. The wine is crisp and aromatic with a clean, stoney minerality.

"Now, a clever man would put the poison into his own goblet, because he would know that only a great fool would reach for what he was given. I am not a great fool, so I can clearly not choose the wine in front of you. But you must have known I was not a great fool, you would have counted on it, so I can clearly not choose the wine in front of me..."

Vizzini in The Princess Bride (1987)

Vermentino is a unique grape that has bright acidity and a lightly floral aromatic character. The windswept island of Sardinia is covered with wild herbs that lend a soft aromatic of sage and rosemary to the wine.
