Sommelier Pick!

2006 Domaine Berthet-Bondet, Jura

48

This Chardonnay based wine comes from the foothills of the Alps. The Jura region is heavily influenced by Swiss winemaking styles. The wine is crisp and aromatic with a clean, stoney minerality.

"Now, a clever man would put the poison into his own goblet, because he would know that only a great fool would reach for what he was given. I am not a great fool, so I can clearly not choose the wine in front of you. But you must have known I was not a great fool, you would have counted on it, so I can clearly not choose the wine in front of me..."
Vizzini in *The Princess Bride* (1987)

Sommelier Pick!

2007 Sella & Mosca Vermentino, Sardinia 30

Vermentino is a unique grape that has bright acidity and a lightly floral aromatic character. The windswept island of Sardinia is covered with wild herbs that lend a soft aromatic of sage and rosemary to the wine.

"During one of my treks through Afghanistan, we lost our corkscrew. We were compelled to live on food and water for several days."
